Maybank, one of ASEAN's leading financial services institutions, achieved a landmark awards recognition based on its performance in various key areas of focus at the Euromoney Awards for Excellence 2026, securing 13 awards across global, regional and country categories.

Leading the Group's achievements is its first-ever global recognition as **The World's Best Bank for Corporate Responsibility**, making Maybank one of only two Asia-headquartered banks to receive a global award this year. This highlights Maybank's leadership in embedding Social Impact across its operations in advancing financial inclusion, supporting community development, promoting responsible financing and strengthening environmental diversity anchored by Social Financing and Social Empowerment initiatives.

At the regional level, Maybank received three new recognitions, namely **Asia's Best Bank for Diversity and Inclusion** and **Best Bank for ESG.** Showcasing its continued commitment to fostering an inclusive workplace, advancing diversity across its workforce and leadership, and integrating environmental, social and governance principles into its business strategy and operations.

Amid growth in intra-ASEAN trade and foreign direct investments, Maybank clients are expanding regionally. The Bank is best positioned to support them with its platform and solutions as the only homegrown Southeast Asian bank with a presence in 10 ASEAN markets.

In Malaysia, Maybank continued its strong track record by securing **Malaysia's Best Bank** for a record seventh time since first receiving the award in 2018.
